The Catalan Tourist Board awards Sports Holiday Destination (SHD) as recognition to those towns in Catalonia which provide quality sports infrastructure and services.

This is a specialized seal of approval aimed to a highly specific and high-qualified segment comprised of elite athletes; tourists whose holidays are focused on sport; holiday makers who engage in sporting activities in their spare time; and visitors who enjoy attending major sporting events.

If your customers are part of this target group, then working with destinations awarded with the SHD seal of approval is guarantee of quality.
